Miss Alice Camp of Middlebury arrived in the city yesterday to pass a few days with friends before going to make an extended visit with relatives at Brookfield.

Thomas Bishop returned last night to his home at Evanston, Ill., after passing a few days in the city as the guest of friends. For the past few months he has been visiting at Concord, N. H.

The condition of Mrs. Arthur Buzzell, who has been undergoing treatment at the Fannie Allen hospital at Burlington, continues to improve slowly. Mrs. Buzzell entered the hospital a week ago.

A force of workmen, who have been engaged during the past few weeks making repairs at the freight station of the Montpelier and Wells River station, completed work to-day. Among the repairs made were new roofing and replanking along sections of the freight platform.

Frank Nolan of Northampton, who acted as an instructor in the public schools at Graniteville during the past year, has accepted a position as instructor at the Pittsfield summer school on the outskirts of Pittsfield, Mass. Mr. Nolan has accepted a position to teach in one of the small colleges in Ohio next year.

W. J. Esmond and daughter, Miss Sylvia Esmond, of Cheshire, Ill., arrived in the city last night to pass a few days. Mr. Esmond is a horse dealer who operates large ranches at Cheshire, Ill. He visited Barre last winter with a large carload of horses. Others were delivered in this section of the state.

A curious mix-up of a team and two motor vehicles created a deal of excitement just below Depot square late this forenoon when the auto truck owned by N. M. Nelson, together with a tour-attentive proceeding from the south attempted the Merchant street turn at the same time. Tethered just around the corner of Merchant street was a team with three persons on the carriage seat. Instantly the traffic problem began to grow complicated. No one appears to have been aware of the presence of the other vehicles until the three were quite firmly wedged in between the curbing that borders the street on either side. One rear wheel of the carriage was stripped of its rubber tire and there were other minor damages, but the people on the seat had a happy escape from injury.

The police were called to South Main street this morning to investigate a break at the store conducted by Daniel Romanus. Entrance to the little mercantile building had been gained by forcing a window on the south side. Whoever perpetrated the burglary must have been familiar with the interior of the store, the police believe. No attempt was made to remove the goods in wholesale lots, but the thief contented himself with dabbling about in the stock, lifting here a handful of cigars and there a can of sardines. Now he was taking some of Mr. Romanus' choice olives and again he gathered in a fist full of asparagus. All about the store are evidences of the lust for loot. A patent match vending machine was rifled of some few pennies and loose change aggregating probably \$2 was taken from the cash drawer. It was late at night when the proprietor left his place of business. He was the first to enter after the thief had left this morning. The police are not bothered by a multiplicity of clues.

Regular meeting of Hiawatha lodge, No. 20, I. O. O. F., will be held Thursday night at 7:30 o'clock. Work, first and second degrees. Every officer and member please be present. Per order N. G.

All Scandinavians are cordially invited. Rev. Gullans will stay over Sunday and will conduct another meeting, to be announced later.

R. L. Clark and Mrs. Ellen Parks, who have been in California for several months, have returned to Barre. Incidentally, it may be stated that the horned toad which Loren Hooker found in the road on Prospect street early this week was a creature which Mr. Clark brought from California. Mr. Clark let the toad out for a little exercise and the animal promptly took the opportunity to explore its immediate section of Vermont. Therefore, the mystery of a horned toad being found in Vermont is solved.

Mr. and Mrs. Julian Goodrich, who were married in Montpelier two weeks ago, returned yesterday from their honeymoon and are passing several days with relatives in Barre and Montpelier. Next week they will go to White River Junction. Mr. Goodrich having recently completed the preliminary surveying for all of the new road work to be carried on in Windsor county this season. Some time later they expect to make their home in White River Junction, where Mr. Goodrich plans to open an office in connection with his civil engineering practice.

Late yesterday afternoon one of the first baseball contests for the championship of Millstone hill among quarry employees was staged at Gazley's park when the Boutwell, Milne & Varnum team won over the Smith employees by the score of 6 to 5 in a very fast and exciting game. The feature of the game was the all-round playing of "Bobbie" Melver of the winning team. He pitched for the winners and was also the stickler of the game, poling five hits. During the remaining weeks of the summer season teams representing the various quarries will battle with each other for the 1914 pennant.

Interest in the Vermont soccer league this week centers around the game that is to be played at Gazley's park in Graniteville Friday evening between the Barre Hill Rovers and the Rangers of this city. Just now the quality of the Rovers as well as the Hardwick team is an unknown quantity and fans who saw the Rangers and Bonacords in Saturday's initial get-together are anxious to make comparisons. Consequently the Rangers are to be accompanied to Graniteville by a sizeable deputation of rooters who aim to get a slant on respective merits of every team in the league. The Rangers will enter the lists with practically the same line-up that figured in Saturday's game. To date the Rangers, by virtue of their recent victory, have the jump on all other opponents, although a defeat will cause them to relinquish their hold to the Rovers.

Honors in the first of a series of baseball games between the Bristlers and the Skippicks for the championship of Gospel Village went to Captain Wishart's Bristlers by an 8 to 6 score at the Lincoln school common last night. There were 100 spectators present when Umpire James T. Konefick entered the field to start the game. Heavy individual hitting nearly won the game for the Bristlers, but the ceaseless tapping of the several "Picker" pitchers finally turned the tide of battle the other way. Captain Levie, premier moundsman for the losing team, was the first to leave for quieter scenes. "Dob" Smith, who succeeded him, was no more effective, and John Gordon was the third sacrificial victim. M. J. Julian took charge of the firing around the seventh inning and his offerings were soundly peppered here he left for home. Wishart and Bishop were in the points for the winners, while Phillips did the backstopping for every Skippicker pitcher that dared ascend the mound. Bert Marr with a triple, John Rogers with a homer and Eddie O. McKay's work at shortfield were the features.
